

# ULTIMATE BATTERY SERVICE KIT

PART# USK900

## FACT SHEET

The **Ultimate Automotive Products Ultimate Battery Service Kit** is a complete battery maintenance solution designed to clean battery terminals and help prevent corrosion buildup. This kit includes a professional-grade battery cleaner and protective corrosion prevention pads that install beneath the battery terminals to help protect against acid vapors and future corrosion. Proper battery maintenance helps ensure reliable starting performance and longer battery life.

### Advantages

- **Clean Battery Terminals:** Removes corrosion, dirt, and acid residue from battery posts and cable ends.
- **Prevent Future Corrosion:** Protective pads help reduce corrosion caused by battery acid vapors.
- **Improve Electrical Connection:** Helps restore strong, consistent current flow.
- **Enhance Starting Performance:** Promotes reliable engine starting and electrical system operation.
- **Extend Battery Life:** Reduces terminal damage and connection resistance.
- **Protect Battery Cables:** Helps prevent premature cable deterioration.
- **Fast and Effective Service:** Simple installation of corrosion pads beneath battery terminals.
- **System Safe:** Will not harm battery cases, cables, or surrounding components when used as directed.

### Features

- **Professional-Grade Battery Cleaner:** Quickly neutralizes and removes corrosion and acid residue.
- **Corrosion Prevention Pads:** Install beneath terminals to provide long-lasting protection.
- **Acid Vapor Protection Technology:** Helps reduce corrosion buildup before it starts.
- **Improved Conductivity Support:** Promotes strong electrical contact between terminal and cable.
- **Universal Fit Design:** Compatible with most automotive battery terminals.
- **Preventative Maintenance Solution:** Ideal for routine battery service intervals

Invest in the **Ultimate Automotive Products Ultimate Battery Service Kit** to maintain strong electrical connections, prevent corrosion, and ensure dependable starting performance. Drive with confidence and experience the difference!

**Ultimate Automotive Products – Performance You Can Feel Mile After Mile!**
