

# ULTIMATE DIESEL RESTORE

## ULTIMATE AUTOMOTIVE PRODUCTS

PART# UD403

### FACT SHEET

The **Ultimate Automotive Products Ultimate Diesel Restore** is a concentrated diesel injector flush designed to rapidly clean fuel injectors and restore proper fuel delivery in diesel engines. Formulated for professional-grade performance, this powerful cleaner removes carbon buildup and deposits that restrict fuel flow, helping improve engine efficiency, reduce emissions, and restore smooth operation. Safe for all diesel engines, Diesel Restore is ideal for maintaining peak injector performance.

## Advantages

- **Rapid Injector Cleaning:** Quickly removes carbon and deposit buildup from diesel fuel injectors.
- **Improve Fuel Flow:** Restores proper spray patterns and fuel atomization.
- **Restore Engine Performance:** Helps reduce hesitation, rough idle, and loss of power.
- **Reduce Emissions:** Promotes cleaner combustion and lower exhaust output.
- **Enhance Fuel Efficiency:** Supports more complete fuel burn for improved economy.
- **Reduce Engine Noise:** Helps smooth combustion to minimize knock and rough operation.
- **Professional-Strength Formula:** Designed for concentrated cleaning power.
- **Safe for All Diesel Engines:** Compatible with modern and older diesel systems when used as directed.

## Features

- **Concentrated Injector Flush Formula:** Delivers powerful cleaning performance.
- **Carbon Deposit Removal Technology:** Breaks down stubborn injector buildup.
- **Spray Pattern Restoration Support:** Helps restore efficient fuel atomization.
- **High-Pressure System Compatible:** Suitable for modern common rail diesel systems.
- **Emission System Safe:** Designed for use with diesel emission systems when used as directed.
- **Professional-Grade Performance:** Ideal for service intervals or corrective maintenance.

*Invest in the **Ultimate Automotive Products Ultimate Diesel Restore** to rapidly clean injectors, improve fuel flow, and restore diesel engine performance. Drive with confidence and experience the difference!*
