ULTIMATE UNIVERSAL SYNTHETIC POWER STEERING FLUID

PART# UP864

FACT SHEET

The **Ultimate Automotive Products Ultimate Universal Synthetic Power Steering Fluid** is a premium full synthetic formula designed to provide superior protection and performance across a wide range of power steering systems. Compatible regardless of fluid color, this universal formula delivers smooth steering response, reduces wear, and protects against heat and oxidation. It is also suitable for vehicles equipped with electric power steering systems that utilize serviceable steering fluid.

Advantages

- **Universal Compatibility:** Designed to work regardless of original fluid color.
- **Smooth Steering Response:** Helps maintain consistent and effortless steering performance.
- **Protect Steering Components:** Reduces wear on pumps, racks, and internal components.
- **Heat and Oxidation Resistance:** Maintains stability under high operating temperatures.
- **Noise Reduction:** Helps minimize whining and groaning during steering operation.
- **Extend Fluid Life:** Resists breakdown, sludge, and varnish formation.
- **All-Climate Performance:** Maintains excellent flow characteristics in hot and cold conditions.
- **Electric System Compatible:** Suitable for vehicles with electric power steering systems requiring serviceable fluid.

Features

- **Full Synthetic Formula:** Delivers long-lasting lubrication and protection.
- **Advanced Anti-Wear Technology:** Reduces metal-to-metal contact to extend component life.
- **Thermal Stability Enhancement:** Protects against heat-related breakdown.
- **Oxidation and Deposit Control:** Helps prevent sludge and varnish formation.
- **Seal Conditioning Technology:** Helps maintain seal elasticity and durability.
- **OEM-Compatible Formula:** Meets or exceeds performance requirements for many domestic and import applications.

*Invest in the **Ultimate Automotive Products Ultimate Universal Synthetic Power Steering Fluid** for smooth steering performance and dependable system protection across a wide range of vehicles.*
