

ULTIMATE WINDSHIELD WASHER FLUID CONCENTRATE

PART# US901

FACT SHEET

The **Ultimate Automotive Products Ultimate Windshield Washer Fluid Concentrate** is a high-performance washer fluid solution designed to deliver powerful cleaning in an economical, concentrated formula. This 12-ounce bottle is formulated to produce up to 55 gallons of ready-to-use windshield washer fluid, making it ideal for service departments and high-volume applications. Engineered to remove road grime, bugs, dirt, and film, it ensures clear visibility and reliable windshield performance.

Advantages

- **High-Yield Formula:** One 12-ounce bottle produces up to 55 gallons of washer fluid.
- **Cost-Effective Solution:** Reduces storage space and lowers overall fluid cost.
- **Powerful Cleaning Performance:** Effectively removes bugs, road film, dirt, and debris.
- **All-Season Performance:** Suitable for year-round windshield cleaning needs.
- **Convenient Mixing:** Designed for easy blending into bulk water systems.
- **System Safe:** Will not harm washer pumps, hoses, spray nozzles, or vehicle finishes when used as directed.

Features

- **Professional-Grade Concentrate:** Designed for bulk mixing and commercial applications.
- **55-Gallon Yield Capacity:** Maximizes output from a single 12-ounce container.
- **Streak-Free Formula:** Promotes clear, residue-free windshield cleaning.
- **Fast-Dissolving Chemistry:** Mixes quickly and evenly with water.
- **Bug and Road Film Removal Technology:** Breaks down stubborn contaminants.
- **OEM-Compatible Formula:** Safe for use in standard automotive washer systems.

Invest in the **Ultimate Automotive Products Ultimate Windshield Washer Fluid Concentrate** for economical bulk production, powerful cleaning performance, and dependable windshield clarity.

Drive with confidence and experience the difference!
