ULTIMATE AUTOMOTIVE PRODUCTS

PART# UB203

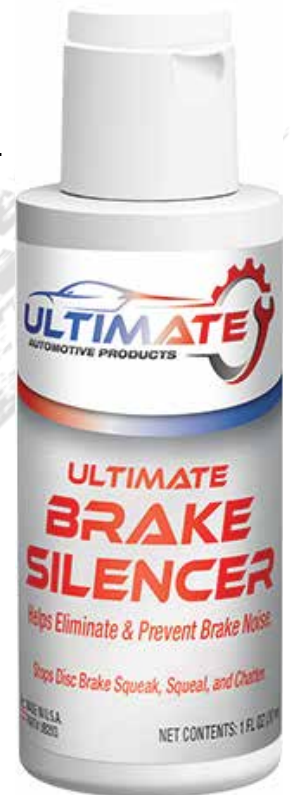

## FACT SHEET

### ULTIMATE AUTOMOTIVE PRODUCTS

Say goodbye to annoying brake noise with Ultimate Brake Silencer! Our advanced formula eliminates and prevents brake squeaks by reducing brake dust buildup and allowing it to fall away from your rims.

- Works on Disc & Drum Brakes: Safe and effective for all braking systems.
- Prevents Sticking: Reduces friction between the pad and rotor for a smoother stop.
- Easy Application: One bottle (Part# UB203) treats an entire set of brake pads.
- Quick Drying: Allow 15 minutes to dry after application for optimal performance.
- Reliable Performance: Expect initial grabbing/groaning for the first 2-3 stops as the product settles in.
