

The **Ultimate Automotive Products Ultimate Coolant Kit** is a complete cooling system service solution designed to clean, protect, and extend the life of the vehicle's cooling system. This kit combines a powerful coolant cleaner with a high-performance coolant fortifier to remove harmful deposits, restore coolant efficiency, and provide long-lasting protection while lubricating critical components such as the water pump.

## Advantages

- **Clean Cooling System Components:** Removes rust, scale, sludge, and mineral deposits from radiators, heater cores, and coolant passages.
- **Restore Coolant Flow:** Helps improve circulation by clearing restricted passages and buildup.
- **Enhance Heat Transfer:** Improves cooling efficiency to help prevent overheating.
- **Condition Cooling System Components:** Protects metal surfaces from corrosion, scale, and electrolysis.
- **Lubricate Water Pump:** Provides added lubrication to help reduce wear and extend water pump life.
- **Extend Cooling System Life:** Helps prevent premature failure of cooling system components.
- **Protect Against Overheating:** Helps maintain proper engine operating temperatures.
- **Prepare System for New Coolant:** Optimizes performance of fresh coolant installation.
- **System Safe:** Will not harm hoses, seals, gaskets, aluminum, or other cooling system materials when used as directed.

## Features

- **Advanced Coolant Cleaner:** Breaks down rust, scale, sludge, and mineral deposits safely and effectively.
- **High-Performance Coolant Fortifier:** Enhances coolant stability and long-term protection.
- **Water Pump Lubrication Technology:** Reduces friction and wear on pump seals and bearings.
- **Corrosion Inhibitor Enhancement:** Protects aluminum, steel, copper, and mixed-metal systems.
- **Electrolysis Protection:** Helps reduce stray current damage in modern cooling systems.
- **OEM-Compatible Formula:** Safe for use with conventional, extended-life, and OEM-approved coolants.

*Invest in the **Ultimate Automotive Products Ultimate Intake & GDI Cleaner** to restore engine efficiency, improve gas mileage, and maintain smooth, reliable performance. Drive with confidence and experience the difference!*
