

ULTIMATE ETHANOL AND FUEL STABILIZER

PERFORMANCE YOU CAN FEEL, MILE AFTER MILE!

PART# UF602

FACT SHEET

Ultimate Automotive Products Ultimate Ethanol and Fuel Stabilizer is a high-performance fuel treatment solution designed to keep your engines running smoothly and efficiently. Formulated to address the challenges posed by ethanol-blended fuels, this product cleans, lubricates, and stabilizes fuel, ensuring optimal performance in both 2-stroke and 4-stroke engines. Whether for your car, boat, lawn equipment, or recreational vehicle, Ultimate Ethanol and Fuel Stabilizer is the ultimate solution for long-term fuel stability and engine protection.

Advantages & Usage

- **Cleans and Lubricates:** Removes harmful deposits and lubricates critical engine components for smooth operation.
- **Fights the Harmful Effects of Ethanol:** Neutralizes ethanol's corrosive properties and mitigates damage to fuel systems.
- **Moisture Removal:** Helps eliminate moisture from fuel to prevent phase separation and ensure consistent performance.
- **Corrosion Prevention:** Protects fuel systems and engine components from rust and corrosion, even during long storage periods.
- **Extends Fuel Life:** Stabilizes fuel, keeping it fresh and effective for extended periods, perfect for seasonal equipment storage.
- **Versatile Application:** Effective in 2-stroke and 4-stroke engines, suitable for automobiles, motorcycles, boats, lawnmowers, generators, and more.
- **Efficient Treatment:** One bottle treats up to 30 gallons of fuel, making it an economical and easy-to-use solution.

Features

- **Comprehensive Cleaning:** Cleans fuel injectors, carburetors, and intake valves for improved efficiency.
- **Lubrication Benefits:** Enhances the smooth operation of engine components by reducing wear and tear.
- **Ethanol Shield:** Reduces the risk of fuel-related engine issues caused by ethanol-blended fuels.
- **Moisture Control:** Removes water from the fuel system to maintain optimal fuel quality and performance.
- **Corrosion Resistance:** Provides long-lasting protection against rust and corrosion in all fuel system components.
- **Fuel Stabilization:** Keeps fuel fresh and ready for use, even after months of storage.
- **Universal Compatibility:** Safe and effective for use in all gasoline-powered engines.

ULTIMATE ETHANOL AND FUEL STABILIZER

PERFORMANCE YOU CAN FEEL, MILE AFTER MILE!

PART# UF602

FACT SHEET

Usage Instructions

1. Shake the bottle well before use.
2. Add the appropriate amount of stabilizer to your fuel tank before refueling (refer to the dosage chart on the bottle).
3. Run the engine for a few minutes to circulate the treated fuel throughout the system.

Dosage

- 1 ounce treats 2.5 gallons of fuel.
- A full bottle treats up to 30 gallons of fuel.
