

ULTIMATE EVAPORATOR CLEANER

ULTIMATE AUTOMOTIVE PRODUCTS

PART# UA102

FACT SHEET

The Ultimate Automotive Products Ultimate Evaporator Cleaner is a specialized solution designed to remove contaminants, dirt, and debris from evaporator cores in automotive A/C systems. By thoroughly cleaning and deodorizing the evaporator core, it helps restore optimal efficiency to the A/C system while eliminating odors caused by microbial buildup. This safe, effective cleaner is compatible with all A/C systems in cars, trucks, vans, and RVs, ensuring a fresh and efficient cooling experience.

Advantages

- **Removes Contaminants:** Effectively eliminates dirt, mold, mildew, and other buildup from the evaporator core.
- **Optimizes Efficiency:** Helps restore and maintain the A/C system's cooling performance, improving airflow and energy efficiency.
- **Deodorizes:** Neutralizes odors at their source for a fresher and more comfortable driving environment.
- **Universal Compatibility:** Safe for all types of A/C systems, including those in cars, trucks, vans, and RVs.
- **Health-Conscious:** Reduces the presence of contaminants that could affect air quality and driver health.

Usage

1. **Preparation:** Turn off the vehicle's engine and A/C system before application.
2. **Access the Evaporator Core:** Follow vehicle-specific guidelines to access the evaporator core through the A/C system.
3. **Apply Cleaner:** Use the Ultimate Evaporator Cleaner as directed, ensuring thorough coverage of the evaporator core.
4. **Flush and Dry:** Allow the cleaner to break down contaminants, then flush away debris and dry the system as recommended.
5. **Reassemble and Test:** Reassemble the A/C system, start the vehicle, and test for improved performance and freshness.

Features

- **Powerful Cleaning Action:** Penetrates and removes stubborn contaminants from the evaporator core.
- **Efficiency Booster:** Improves A/C system cooling performance and energy efficiency.
- **Odor Neutralization:** Eliminates unpleasant smells caused by microbial buildup.
- **Vehicle Compatibility:** Suitable for use in cars, trucks, vans, and RVs.
- **Safe and Non-Corrosive:** Formulated to be gentle on A/C components while delivering powerful results.
- **Easy Application:** Works seamlessly with manual or professional cleaning tools for fast, effective results.
