

ULTIMATE INTAKE & GDI CLEANER

ULTIMATE AUTOMOTIVE PRODUCTS

PART# UF604

FACT SHEET

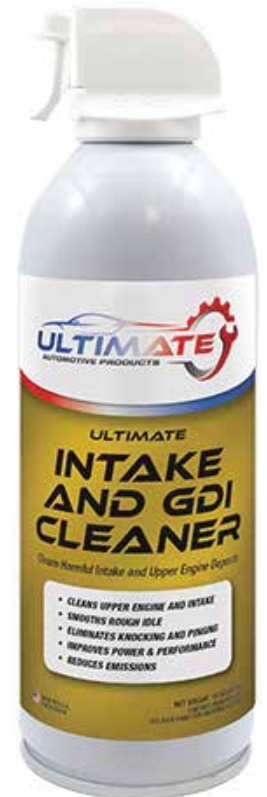

The **Ultimate Automotive Products Ultimate Intake & GDI Cleaner** is a professional-grade cleaning solution designed specifically for modern gasoline direct injection (GDI) and intake systems. Formulated to remove carbon buildup, varnish, and deposits from intake valves, runners, and combustion-related components, this cleaner helps restore proper airflow, improve engine efficiency, and enhance overall drivability. Regular use helps improve fuel economy and maintain peak engine performance.

Advantages

- **Improve Gas Mileage:** Helps restore fuel efficiency by improving airflow and combustion efficiency.
- **Restore Engine Performance:** Reduces hesitation, loss of power, and sluggish acceleration caused by carbon buildup.
- **Clean Intake and GDI Components:** Removes carbon deposits from intake valves, runners, and air-intake passages.
- **Improve Throttle Response:** Helps engines respond quicker and more smoothly.
- **Reduce Rough Idle:** Helps eliminate rough idle and uneven engine operation.
- **Lower Emissions:** Supports cleaner combustion and reduced exhaust emissions.
- **Prevent Future Deposit Buildup:** Helps slow carbon accumulation common in GDI engines.
- **System Safe:** Will not harm sensors, seals, catalytic converters, or emission system components when used as directed.

Features

- **Full Synthetic Gear Oil:** Targets carbon buildup common in gasoline direct injection engines.
- **Intake Valve Deposit Removal:** Cleans areas not washed by fuel in GDI systems.
- **Airflow Restoration Technology:** Helps restore proper airflow for efficient engine operation.
- **Non-Abrasive Chemistry:** Cleans safely without damaging internal components.
- **Oxygen Sensor Safe:** Compatible with oxygen sensors and emission control systems.
- **OEM-Compatible Formula:** Safe for use in modern gasoline engines, including turbocharged and GDI applications.

Invest in the **Ultimate Automotive Products Ultimate Intake & GDI Cleaner** to restore engine efficiency, improve gas mileage, and maintain smooth, reliable performance. Drive with confidence and experience the difference!
